FISCHEMICALS ABERDEEN

RIGWASH & DEGREASERS

FIS Chemicals Ltd has been established since 1980 formulating, manufacturing and supplying specialized cleaning and maintenance chemicals worldwide.

An aqueous oil degreaser with rapid quick break properties producing emulsion free rinse water.

Ideal for the removal of oils and greases from oil pollution equipment, hydro powers stations, offshore platforms and for cleaning in similar environmentally sensitive areas.

KEY PROPERTIES:

Fischem offers very rapid quick break separation of the oil phase from its rinse water. It is approved for use in offshore installations and is particularly recommended to resolve discharge consent problems especially when cleaning in environmentally sensitive areas.

AVAILABLE PACK SIZES

200 liter, 25 liter
